Donations can be dropped off by calling the church office Tuesday, Thursday, or Friday from 9am to 1pm to arrange a time. The telephone number is 802-824-6453.

In 2010, our church experienced a devastating fire. Since then, we've been faithfully rebuilding — not only our building, but our presence and ministry in the community. Along the way, God has opened doors for us to purchase adjoining properties and continue shaping a safe, beautiful, and welcoming space.

Recently, we were given the opportunity to purchase the Melendy house at 53 Middletown Road, which includes a small cinder block building on Crescent Street. The once-beautiful home has fallen into disrepair and cannot be saved. By removing these structures, cleaning up the land, and restoring the space, we'll make our neighborhood safer, more beautiful, and more welcoming for all who pass by or visit our church.

To complete this project, our goal is to raise \$95,000. This amount will cover the cost of removing the house and cinder block building, clearing and restoring the property, and preparing the land for future community use.

This project will:

- Provide a safer space for our neighborhood
- Create a beautiful, open area that reflects God's goodness
- Increase visibility from Middletown Road so that our message of hope can be seen and heard more clearly

We'd love for you to join us. Every gift, big or small, helps us move closer to this vision. Together, let's create a safe and welcoming space for our community.

This Giving Tuesday, Help Keep Grace Cottage Safe

Giving Tuesday falls on December 2 this year, and we're asking for your help to make Grace Cottage's Emergency Room safer for everyone—our patients, visitors, and the nurses and providers ready to care for you 24 hours a day, 7 days a week.

We are proud of our reputation at Grace Cottage for compassionate, personal care. That includes caring for people in crisis and keeping them, as well as Grace Cottage staff, safe.

We need your help to make a series of necessary security upgrades, including:

- Additional security cameras in key areas
- Shatterproof, impact-resistant glass and doors
- Stronger lockdown mechanisms for rapid response

These improvements will not change the warm and welcoming atmosphere you expect at Grace Cottage—but they will ensure greater protection for those who depend on us in their most vulnerable moments, and for the staff who dedicate their lives to helping our community. Our Giving Tuesday campaign goal is \$35,000 and all gifts, no matter the size, will go directly toward these vital security upgrades. Together, we can create an ER that is both caring and secure.

Thank you for your support!

After Black Friday and Cyber Monday comes Giving Tuesday, a worldwide day of philanthropy during the season of gratitude.

Every Lions club in the district shares the common mission of empowering volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs. Each club is encouraged to meet their mission in the manner that best fits their community and their club.
