Wellness Classes

Tai Chi for Falls Prevention - Do you worry about falling? The fear of falling often results in more falls; hence, confidence in “not falling” helps reduce these incidents. Tai Chi is a gentle movement exercise that improves balance by strengthening muscles and coordination. With regular practice, tai chi is a highly effective exercise for fall prevention. All of our instructors are certified through Tai Chi Vermont.

Bone Builders - The RSVP Bone Builders Osteoporosis Prevention and Reversal Program is an effective combination of weight bearing, balance and stretching exercises. Bone Builders is a free, ongoing program with a choice of morning or afternoon classes. Group classes include standing and sitting exercises using light hand weights.

Walk with Ease – Walk with Ease is an evidence-based Wellness Program developed by the Arthritis Foundation. It uses the simple activity of walking to improve health and well-being, and is good for nearly everyone, from absolute beginners to people who have been active for years. This is a year-round program, with walks outdoors in pleasant weather, and indoors in the winter courtesy of our partnership with the Chris Lewit Tennis Academy.

Gentle Chair Yoga

Adding Additional Dates to our Wellness Program!

Through the practice of simple seated movements, experience a deep sense of well-being. Please wear comfortable clothing.

Londonderry Area Tri-Mountain Lions Club

Every Lions club in the district shares the common mission of empowering volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs. Each club is encouraged to meet their mission in the manner that best fits their community and their club. At District 45 we hope to provide clubs the opportunity to learn from each other, to grow as leaders within the Lions organization, and to enjoy good fellowship and mutual understanding. Mountain Valley Trails Association

We are looking for new members! Our organization is a fun-focused group of people who enjoy the outdoors and like to take advantage of the beautiful trails in our area for cross-country skiing or snow shoeing. Our main activities take place in the winter starting in October and running through April. In the fall, we start with trail work as we survey the trails we maintain, then clear blow downs and trim back growth that has occurred over the summer. We host a monthly potluck (it's

always a great meal as there are lots of good cooks and bakers in this group) and usually offer a midweek and weekend planned trip based on weather conditions. We also host a monthly moonlight ski or snowshoe (again weather dependent but we have also just hiked under the light of the silvery moon).

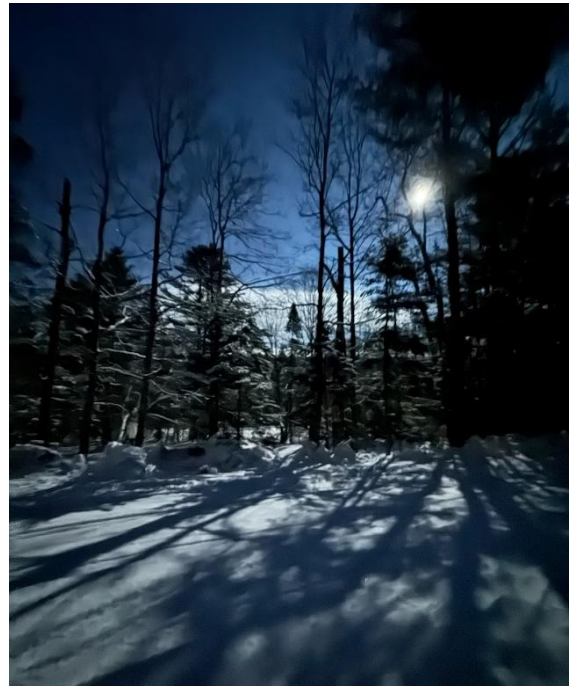

All ages are welcome and we encourage you to come to a potluck or participate in a trip

and see what we have to

offer. Membership is very reasonable at \$15 per person.

For more information visit our website at <https://www.mountainvalleytrails.club/>, or contact our president, Martha Dale at president@mountainvalleytrails.club or Jeff Lennox, our membership manager at membership@mountainvalleytrails.club.

Nordic Nights - Skiing or Snowshoeing

Nordic Nights happening every Saturday this winter!

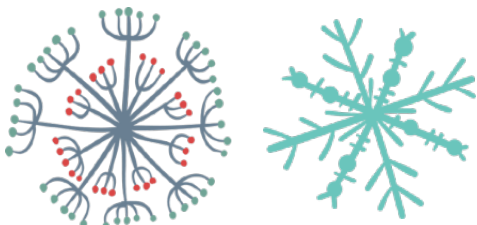

****snow conditions permitting****

Enjoy our intersecting trails lit by both overhead lights and lanterns on skis or snowshoes. Maybe you're interested in strolling down the lantern-lit trail, known as the "Tunnel of Love".

Night skiing/snowshoeing is great for all ages. Enjoy the trails for 20 minutes or two hours. When you get back, we'll have the warming hut ready for you, a firepit ablaze, and s'mores kits and hot chocolate. If you've never done a night ski or snowshoe, you need to try it. It can be magical.

We'll turn the lights on from 4:30-7:30pm.
