Disability Awareness and De-escalation Training Overview

Thursday, October 20 – 11:30 AM to 1 PM

Neighborhood Connections is pleased to announce an important event in our Soup and Sandwich Series. Dr. Kendra LaRoche, Executive Director of the Special Needs Support Center (SNSC) will be the guest speaker. She is the creator of the *Disability Awareness and De-escalation Training* program. She is offering **Continuing Education Credit** for all attendees who may benefit from it. We welcome all emergency Responders, but **ALL ARE WELCOME**.

Emergency responders are often the first to assist individuals with disabilities in times of stress or crisis. The *Disability Awareness and De-escalation Training* helps police, fire, and EMT personnel build awareness, empathy, and skills needed to respond safely and effectively. The program will also be very helpful for private citizens who are working with emotionally challenged individuals.

The course links evidence-based de-escalation strategies with an understanding of how the brain processes emotion and stress. Through interactive instruction and real-world scenarios, participants learn techniques for emotional regulation, validation, and active listening, while gaining practical insight into mental health, intellectual, developmental, and learning disabilities. The training also introduces SNIP communication tools that support clear, respectful, and person-centered interactions.

Learning Outcomes

Upon completion, participants will be able to:

- Identify visible and invisible disabilities and understand how they affect behavior and communication.
- Apply de-escalation strategies using validation, empathy, and active listening.
- Recognize the neurological connection between emotion, stress, and behavior.
- Use communication boards and SNIP identification tools to improve safety and understanding during emergency encounters.
- Reflect on past experiences to strengthen professional judgment in future situations.

For more information or to RSVP, please call Neighborhood Connections at 802-824-4343 to reserve a spot. We will be offering lunch and need a headcount.

For questions about the program, contact: Suzanne Burge, (802) 824-4343, Suzanne@NCVermont.org

Neighborhood Connections Adult Day Social Program Begins Oct 7

Neighborhood Connections in Londonderry will be opening its new Social Model Adult Day Care Program on Oct 7, providing breakfast and lunch and offering activities including participatory music, arts & crafts, and games modeled after the Relish-Life curriculum.

They will be holding an Open House on Wednesday September 30, from 9:00 am to 2:00 pm for any potential clients, partners, and interested community members to drop in on an informal basis to meet our staff and see the facility.

The program will be available every Wednesday from 8:30 am to 2:30 pm in their main meeting complex in the Mountain Marketplace at the corner of Routes 11 and 100 in Londonderry. This open, airy space includes plenty of windows, a full-service commercial kitchen, internet and large-screen audio-visual equipment, and accessible restrooms, and also houses office staff.

This is a social program and will not include medical care. This program is appropriate for adults capable of feeding themselves and independent bathroom functions, but who need a safe and supervised space during the day, meals preparation, and socialization. Applicants will be screened using standard tools at intake to ensure program compatibility.

The program will be overseen by Lois Schram Osnow, a licensed clinical social worker. Prior to moving to Vermont, she was the co-founder and owner of LS Gerontology Seminars, where she instituted culture change projects in more than 25 long term care facilities in addition to providing training to more than 75 long term care facilities in the tri-state area. Additional staff with relevant experience have been retained to assist with the program.

For questions about eligibility and general information about the program or the open house, contact: Lois Schram Osnow, (802) 824-4343, Lois@NCVermont.org.

Grace Cottage Hosts Saturday Flu Vaccine Clinics

TOWNSHEND-- Grace Cottage will host two Saturday flu vaccine clinics, on October 3 and November 7, from 9 a.m. until noon, at Grace Cottage Family Health, 185 Grafton Rd., Townshend, VT.

Pre-registration is recommended; walk-ins will be accommodated as space permits. Anyone under age 18 must be accompanied by a parent/guardian. You do not need to be an established patient at Grace Cottage to attend these clinics. All age-appropriate flu vaccines are available.

If you have medical insurance, please bring an ID and insurance card with you. If you are not insured, payment for your flu vaccine is expected at the time of service.

An annual seasonal flu vaccine is the best way to avoid getting the flu and spreading it to others. It takes about two weeks for protection to develop after vaccination. The Centers for Disease Control and Prevention recommends that everyone age six months and older get an annual flu vaccine. People over age 65 or those with a chronic disease, such as diabetes or asthma, have a higher risk of contracting the flu and are especially urged to get the vaccine.

For more information about the flu and vaccination, visit www.healthvermont.gov or call the Vermont helpline at 2-1-1.

Flu vaccines are also available weekdays by appointment. For more information or to make an appointment, visit gracecottage.org or call 802-365-4331.

Londonderry Arts and Historical Society

Located at the Custer Sharp House, 2461 Middletown Road, Londonderry, VT 05148
Open Memorial day through Columbus Day. Every Saturday from 10am to 2pm.

Help Create the Londonderry Arts and Historical Society's 250th Commemorative Quilt!

The Londonderry Arts and Historical Society (LAHS) is inviting community members—quilters and non-quilters alike—to help create a special community quilt celebrating Londonderry's 250th anniversary.

The theme is simple: **"What does Londonderry mean to you?"**

A centerpiece for the commemorative quilt has already been designed by LAHS's artistic Collections Manager, and volunteers are ready to assemble the finished work. Now LAHS is seeking community participation through the creation of individual quilt squares that reflect personal connections to Londonderry and the people, places, and memories that make it meaningful.

Square designs can feature local landmarks, scenes from nature, or aspects of community life. Participants may also include meaningful words or phrases, family names, important dates, organizations, or short quotations. Squares can be embroidered, decorated with fabric-safe markers, or created using other artistic techniques.

No quilting experience is necessary. LAHS has supplies available for anyone who would like to create their square on site.

As completed squares are submitted, they will be displayed in the Society's Marble Room, allowing visitors to watch the commemorative quilt grow over time.

Quilt kits, which include fabric and instructions, are available for \$20, with proceeds benefiting LAHS. The deadline for submitting completed

squares is **Labor Day**, and the finished quilt will be unveiled during a community celebration over **Columbus Day weekend**.

"Every square matters. Together we'll create a quilt that reflects the creativity, history, and heart of our community."

Questions may be directed to Bev Foster at missbev1958@gmail.com.

Purchase your quilt kit at the Londonderry Arts and Historical Society headquarters, the Custer Sharp House, 2461 Middletown Road, Londonderry. We are open Wednesdays and Saturdays from 10:00 a.m.–2:00 p.m., or by appointment. Visit LAHSvt.org for more information.

The Londonderry Housing Commission

Attention Homeowners! Thinking of creating an ADU or want to rehab a rental unit?

The [Vermont Housing Improvement Program \(VHIP\) 2.0](#) is actively accepting applications in Windham and Windsor counties.

The [Vermont Housing Improvement Program \(VHIP\) 2.0](#) provides property owners with 0% interest, 5- or 10-year forgivable loans up to \$50,000 per unit to repair vacant rental housing, build accessory dwelling units (ADUs), or create new affordable apartments.

Applications will remain open until funds are fully exhausted. Reach out to the [Windham & Windsor Housing Trust \(WWHT\)](#) for more information on the program.

What can you do with VHIP 2.0 funding?

VHIP 2.0 offers 5 and 10-year forgivable loans to:

- Rehabilitate existing vacant units
- Rehabilitate structural elements affecting multiple units, such as the roof or foundation, or electrical/plumbing/HVAC systems of a multi-family property
- Develop a new Accessory Dwelling Unit (ADU) on an owner-occupied property
- Create new units within an existing structure
- Create a new structure with five or fewer residential units
- Complete repairs necessary for code compliance in occupied units (only eligible for 10-year forgivable loan)
 - Apply ADA and Vermont Access Rules Accessibility standards to an approved VHIP unit

Rehabilitation projects can include updates to meet housing codes, weatherization, and accessibility improvements of eligible rental housing units.

Local Clubs

Londonderry Area Tri-Mountain Lions Club

Every Lions club in the district shares the common mission of empowering volunteers to serve their communities, meet humanitarian needs, encourage peace and promote international understanding through Lions clubs. Each club is encouraged to meet their mission in the manner that best fits their community and their club. At District 45 we hope to provide clubs the opportunity to learn from each other, to grow as leaders within the Lions organization, and to enjoy good fellowship and mutual understanding. We seem to have an awful lot of fun in the process too.

PARKS CLOSURES

PINGREE PARK CONSTRUCTION

- We are waiting on an exact start date, but roughly two weeks from now we will begin to demolish the existing tennis court and lay the foundation for a new tennis court and two dedicated pickleball courts.
-
- We have been told this will take 2-3 weeks and we will close the "upper half" of Pingree which includes the first parking lot, the basketball court, the pavilion, the playground, and obviously the tennis court.
-
- The dog park will still be open. If this changes and we need to close the whole park for that time, I will post again.
-
- The tennis/pickleball courts will not be finished until the spring. I definitely do not have dates on that yet so please plan to play elsewhere until June '27 to be safe. We hope it is much sooner, but it will NOT be in 2026.
-
- As soon as this round of construction is done, the park will re-open until winter is upon us.
-
- Please direct questions to Liam at recdirector@londonderryvt.gov or 802-824-3356 ex 8
-

MEMORIAL PARK

- Memorial Park vehicle access is closed for the season and the pond has been drained.
