

ORDINANCE TO REGULATE THE OPERATION OF SHORT-TERM RENTALS

Town of Londonderry, Vermont Adopted December 19, 2023 (effective February 17, 2024)
Amended March 25, 2023 (effective May 24, 2024);
Amended June 3, 2024 (effective August 2, 2024);
Amended April 21, 2025 (effective July 1, 2025)

ARTICLE 1. AUTHORITY. Under authority granted in 24 V.S.A. § 2291(29) and 24 V.S.A. § 1971 et seq., and other such general enactments as may be material hereto, it is hereby ordained by the Selectboard of the Town of Londonderry that the following civil ordinance requiring the annual registration of all short-term rentals operating within the town (which may also be referred to as the "Short-Term Rental Ordinance") is adopted for the Town of Londonderry, Vermont.

ARTICLE 2. PURPOSE. The purpose of this Ordinance is to promote and protect the public health, safety, welfare, and convenience of the town, to preserve residents' rights to quiet enjoyment of homes and properties, and to ensure the safety of occupants of short-term rentals. The Londonderry Selectboard hereby find that unregulated short term (i.e., less than 30 day) transient occupancy of dwelling units in residential neighborhoods presents a threat to the public welfare relating to compatibility with residential uses and preservation of the character of the neighborhoods in which they are located, and to the availability of housing stock in the town. Unregulated short-term rentals have negative secondary effects on residential areas, with such areas experiencing heightened adverse impacts from parking, garbage, noise and outdoor/nighttime activities. These negative effects, when left unchecked, injure and degrade the community as a whole and constitute a public nuisance. The purposes of this Ordinance are: (a) to balance the desire of property owners to rent their residential properties to short term rental guests for compensation against the desire of residents to preserve the traditional peace and quiet of their residential neighborhoods; (b) to preserve and protect residential neighborhood character and livability from the nuisance impacts that are often associated with short term rentals; (c) to limit or prevent the loss of available housing stock for long term rentals or for purchase by those who wish to reside in Londonderry from being replaced with short term rentals; (d) to ensure the safety of occupants of short term rentals and the well-being of the community; and (e) to promote the public health, safety and welfare of the Town, its residents and visitors.

ARTICLE 3. DEFINITIONS.

A. “Owner” means a person who holds title to the property on which a short-term rental is operated. The Owner/person shall be defined as an individual, a married couple, one or more family members living in the same household, a corporation, a partnership, or Limited Liability Company (“LLC”) or other LLCs with overlapping members, which in all cases shall be deemed an Owner, but which shall exclude from the definition any tenant or lessee of a lease.

B. “Short-term rental” or “STR” means a dwelling unit rented to the transient, traveling, or vacationing public for periods of fewer than 30 consecutive days and for more than 14 days per calendar year, and is either:

1. “Hosted” meaning a room or group of rooms located within an Owner’s primary residence (a Homestead) or an accessory dwelling or cabin on the premises of the Owner’s primary residence; or,
2. “Unhosted” meaning a furnished house, condominium, apartment, or an accessory dwelling or cabin that is not the Owner’s primary residence (not a Homestead) or located on the premises or property of the Owner’s primary residence.

C. “Dwelling unit” means a room or rooms connected together containing cooking, sanitary and sleeping facilities that constitute a separate, independent housekeeping establishment. It shall include prefabricated modular units and mobile homes, but shall not include a motel, boarding house, shelter or similar structure.

D. “STR Administrator” means a person or persons designated by the Selectboard of the Town of Londonderry to administer and enforce this Ordinance.

E. “Bed and Breakfast”, “Boarding House”, “Motel” and “Inn” shall have the same definitions as contained in the Town of Londonderry Zoning Bylaw as amended from time to time. This Short-Term Rental Ordinance shall not apply to Bed and Breakfasts, Boarding Houses, Motels and Inns which have zoning permits issued pursuant to the Town of Londonderry Zoning Bylaw and Ordinance.

F. “Lot” means a parcel of land undivided by any street or road, and occupied or to be occupied by only one primary structure or principal use and the accessory buildings or uses customarily incidental to such structures or uses. A lot shall be of sufficient size to meet minimum zoning requirements for use, coverage and area, and to provide such yard and other open spaces as are herein required. Such lot shall have frontage on an improved

public street, or other means of access approved by the Planning Commission. In no case shall the division or combination of land result in the creation of a parcel which does not meet the requirements of this Bylaw.

G. “Rental Arbitrage” is the practice of a long-term lease-holder converting the leased property into a short-term rental, for the purpose of the income that results from the difference between the two rental rates: a form of subletting a leased property by a lessee.

H. “Knox Box” means is a small, secure holder for a house key, used by firefighters and/or emergency medical personnel to access a residence in the event of an emergency when the residence is unoccupied, or its occupants are unable to open the residence to First Responders.

ARTICLE 4. SHORT TERM RENTAL REGISTRATION.

A. The short-term rental of a dwelling unit requires the annual issuance of a Short-Term Rental Registration from the STR Administrator. A person shall not commence the use of a dwelling unit as a short-term rental unless and until the STR Administrator issues the requisite Short Term Rental Registration.

B. Any application made by a person other than a single individual must detail the other members of any Corporation, LLC, or Partnership (“Common Ownership”), and any out-of state entity must provide a valid and current copy of the articles of organization for the entity.

C. All STRs must be rented via an STR rental platform to satisfy any reporting requirements and the payment of any municipal, state and federal taxes.

D. STR registrations may be issued for one STR unit on a property, provided:

1. An Owner who has more than one Unhosted property currently registered and who is in good standing with the Town of Londonderry at the time of the enactment of this amended section shall be entitled to renew the pre-existing STR licenses for so long as the Owner is the record Owner of the Property and so long as the Owner meets all other requirements of this Ordinance. Such pre-existing, nonconforming status shall automatically cease upon any failure to continue to register the Property or upon any conveyance of the Property; and

2. An Unhosted property may not be registered as an STR within one calendar year of its transfer to a new Owner; and

3. An Unhosted property being registered for the first time shall not exceed the maximum permitted 50 STR rental days within any calendar year.

Town of Londonderry, Vermont: Ordinance to Regulate the Operation of Short-Term Rentals

E. The dwelling unit overnight capacity of a short-term rental shall be a maximum of two occupants for every bedroom indicated in the Town Listers property database for the dwelling unit, plus an additional two occupants. For example, a three-bedroom dwelling unit shall have a dwelling unit capacity of eight persons ((3 bedrooms X 2) + 2) when used as a short-term rental. An Owner shall not advertise or permit occupancy by more than the capacity set forth in this section.

F. The number of persons present at an STR property between the hours of 10pm and 7am cannot exceed the overnight capacity, plus 2 visitors. (No parties or events). For example, a three-bedroom STR cannot have more than 10 people on the property during these hours.

G. A Knox Box shall be installed at any Short-term rental property with an automatic fire alarm system. Whether the automatic fire alarm is required by Fire Safety code or not, a Knox Box will be available for use in an emergency by the Londonderry and South Londonderry Fire Companies.

H. Rental Arbitrage is not permitted in Londonderry. No long-term lessee or tenant may receive a short-term rental license or engage in short-term subletting; only a property owner can be granted a short-term rental license.

I. An Owner shall provide the following information in an application for Short-Term Rental Registration for dwelling units with an occupancy of 8 or less, on a form provided by the Town:

1. The number of bedrooms to be rented and the requested dwelling unit capacity to be approved in the Short-Term Rental Registration.

2. The Owner's name, mailing address, email, and a cell phone number or other number (such as a property management company) that will be answered 24 hours a day during the time that the short-term rental unit is being rented.

4. Property owners who are not in residence at the property the entire time it is being rented shall designate and provide the name and contact information of a designated agent

7. Confirmation of commercial liability insurance, with proper notification of short-term rental activity to that insurer of not less than \$1,000,000 per occurrence to cover each short-term rental unit, unless such short-term rental is offered through a hosting platform that maintains equal or greater coverage, and that the liability insurance policy that covers the dwelling unit extends bodily injury and property damage insurance coverage that occurs during or as a result of the use of the dwelling unit as a short-term rental.

8. Proof, satisfactory to the Town, that the Owner has obtained and performed all necessary licensing and registrations with the State of Vermont Department of Health, Division of Fire Safety and Department of Taxes necessary to operate a Short-term rental. 9. Proof, satisfactory to the Town, that every sleeping space in the registered STR contains a secondary means of escape (egress) with measurements meeting code defined by VT Fire and Building Safety Code, and that all photoelectric smoke detectors and CO detectors in the registered rental are operational and within their expiration date.

10. Annually, beginning with the first renewal of said registration, the Owner shall file with the Town an accounting/printout of the total number of days the property was rented on a short-term basis during the previous year. Failure to submit said accounting/printout will result in the renewal registration being denied.

J. An application for Short-Term Rental Registration, for dwelling units with a capacity of greater than 8 occupants, shall require compliance with subsection I above, plus the following:

1. Confirmation that the septic capacity is at least equal to the requested short-term rental dwelling unit capacity. This shall be evidenced by a) a valid State of Vermont Wastewater and Water Supply Permit for the property for dwelling units or wastewater and water supply systems constructed, modified or occupied after June 30, 2007, OR, b) a local

2. An inspection report, showing satisfactory inspection results for the most recent inspection, with occupancy approved from the State of Vermont Division of Fire Safety for the requested short-term rental dwelling unit capacity.

K. No registration for the short-term rental of a dwelling unit shall be issued unless the applicant has complied with subsection I above (for dwelling units with an occupancy of 8 or less) or has complied with subsection J above (for dwelling units with a capacity of greater than 8 occupants).

L. Short-Term Rental Registrations shall expire on June 30 of each year and require renewal to continue use of a dwelling unit as a short-term rental. In the event that a property for which a Short-Term Rental Registration has been filed is transferred or conveyed to a new property owner, the new Owner shall file a new application for a new Short Term Rental registration subject to Article 4 (D) above.

M. The number of lessees, guests, or other persons using a dwelling unit pursuant to the short-term rental lease or other agreement with the Owner shall not exceed the approved dwelling unit capacity on the Short-Term Rental Registration.

The owner is responsible for the timely removal of these items, in accordance with Vermont State Law (10 V.S.A. § 6621a).

ARTICLE 5. LICENSE FEES. A fee for a License shall be paid to the Town of Londonderry with the submission of any Short-Term Rental Registration application or annual renewal, regardless of date of registration. The fee shall be in an amount as determined by the Selectboard which may, from time to time, modify this fee and may establish and adopt other fees related to the administration and enforcement of this Ordinance, and may incorporate all such fees into a duly adopted fee schedule.
