Visitors and concerned citizens - Duane brings up a missing cremation certificate. Much discussion followed re: process of submitting cremations certificates as there does not seem to be consistent follow-through. Laurie will also ask about the LCC binder in the copy room.

Hot pink flags! What to do on unmarked graves: In Memoriam...In Remembrance...Rest in Peace...In Honored Memory. Discussion.

Vote is to purchase flat markers that say "In Memoriam"

Andie action items: Take video of all cemeteries with hot pink flags. Andie will get an accurate number of unmarked graves and send it to Duane and Melissa...Duane will call Shea and inquire about a 'bulk' rate for stones.

Maureen brings up how to find out who is buried in the unmarked graves. Laurie suggests being in touch with Jonathan Stevens who helped the Second Congregational Church find their deed years ago.

New business: what to do at Riverside where the pine trees were cut. When we meet on May 13th we will look at state right of way up into Riverside.
