6. Pingree park update
   - Tennis/pickleball - Barry commenting, prefer lines on tennis court to be not too bright. Would like to see wind screens. Asking if Londonderry can take priority over "outsiders" or have outsiders pay. Would like a small bench or stool on court. Will need to create path between basketball and pickleball courts.
   - Scoreboard - Gary Barton getting ready to complete electrical. Justin and Liam will finish hanging scoreboard next week. Still on schedule to complete before park closure
   - Bleachers – Have been delivered and assembled. Justin will assist with removal of old bleachers. Steve to send thank you note to Rotary.

This is a significant hazard that should be addressed asap. Troy suggests we take a look at potential dangerous trees over the "new" fence. Liam will bring to the SB on 11/2 in hopes of approval without 3 quotes per the purchasing policy. Chrissy makes motion to approve new fence, Steve 2nd's with select board confirming or making the final decision.
     - Also Softball field corner fence severely damaged. Quote for $1,635 to be done simultaneously. All in favor. No objections.
7. Budget Planning
   - Tina still working on numbers from this year (FY '27). Timeline is to discuss now and make final requests by the end of November. Packet gets printed and put out for town meeting. Board made decision to list out all potential projects so we can rank based on safety, maintenance, and general improvements. List was made for Pingree and will be finished at next meeting so we can make our best estimate on budgeting for years to come.
