

The Londonderry Parks Board will meet on **Monday, June 8<sup>th</sup> @ 3:00pm at Londonderry Town Office (100 Old School St) and on zoom**

1. Call the meeting to order. Marge called meeting to order at 3:12pm.
2. Additions and deletions. None
3. Public comment/visitors. Jane McKugler. Discuss pickleball nets.
4. Minutes approval. Motion to approve. Steve . Second Joel. All approve.
5. Music Monday. Fundraising currently at \$4,600 with an additional \$3k committed but not received. Liam believes this amount with bottle return money should meet our fundraising goal of \$10k. A couple businesses offered service with donation such as room at COHO.
6. Pingree Update Scoreboard. Needs to be installed safely. High in the air and large prompting concerns of wind knocking down the sign causing damage to people and or cars. Discussed using 6 x 6 pressure treated lumber. Board not comfortable as there could be unpredictable failure. Discussed buying pre made steel structure designed for holding sign but costly likely \$4k or more and require a concrete company. Joel suggests using telephone poles potentially donated by Green Mountain Power. No concrete needed and we believe will be safe. Justin may be able to help install preferably around 6 feet. Joel makes motion to pursue. Marge seconds.. All approve.
7. Large Shed. FBAA ok with parks “owning” the shed. Liam would like to move interior center wall back to where it was originally giving room for snack bar as well as storage for tractor and supplies.
8. Stairs. Multi year discussion to install stairs to lower baseball field. We have VLTC approval to proceed. Discussed steps similar to steps at Lowel Lake with stone inside railroad boards. Steve makes motion to pursue bid for steps. Justin seconds.
9. Excavation. Have added parking spots but require additional excavating to add more spaces. Board not wanting to spend north of \$40k for this at this time. Neighbors to the park have approved parks to move forward when ready. TK trucking coming back to seed and Liam will ask if they can make a path to back fields. Discussed town crew excavating hill to gain more parking spots. Joel has access to large excavator and parks just need to pay for transport and gas. TBD. Dig safe can come look at project before starting.
10. Tennis Court Jane let us know nets have been damaged. Children riding nets. One net stolen. Need plan to prevent further damage and theft. Board will purchase bike locks with codes to lock up nets for possible solution. Jane asks board if pickleballers can purchase and install a wind net. Board happy to have them do this. MTR will maintain. Game cameras now operational with much better vision. Hunter to do sight work prep. Tina to get \$40k down payment for courts with 2026 parks money. Loan from cemetery with low interest rate to fund the rest. Liam to install QR codes around parks for donations of donors choice.
11. Memorial Update Pond puddle. Road crew delivered sure pack and Liam attempted to use tractor to lay stone in pond puddle. Dumped a couple of loads but not completely safe so stalled that for now. Filled pond for summer. Revisit puddle in the fall.
12. Fall projects
  - I. Playground. Old playground beyond repair and needing replacement. Liam to get details for new structure.
  - II. Perimeter Stones. Need to get excavator in to fix siding around deep end of the pond including diving area. Fall project as pond full for season.
- i. Clay . Costly and unknown benefits. Table discussion for now.

13. Buxton Wall Maitlands across the street questioning orange snow fence offering help with solutions. One option would be a fence with space no larger than 4". Costly and not a great solution. Liam suggests getting small excavator and picking away at the hill and eventually leveling for safety and aesthetics. Remove concrete and rhubarb.

14. PT Employee. Pause for now.

15. New Parks Board Member. Talk to friends about friends who may be interested in board. Kelly to stay on board until September 2026.

ii. Set next meeting. Next meeting July 13 at 3pm at Londonderry Town Office.

iii. Adjourn. Steve motions. Troy seconds. Passes. Adjourned.

Topic: Parks Board Meeting

Time: Jun 8, 2026 03:00 PM Eastern Time (US and Canada)
